Dear Brothers and Sisters in Christ,

My name is Father Francis Huy Pham but you can call me Father Huy (Huey). Cardinal Sean O'Malley has appointed me to serve all of you here at Saint Clement's. I am very pleased and excited to be at your parish and have the opportunity to work with you.

Original I come from Vietnam, the second child of five children in my family. One brother passed away and the other lives with his family in Houston, Texas. My two sisters are still in Vietnam with my mother and my father passed away four years ago. I spent sixteen years with the Cistercian Monks in a Monastery in Vietnam. I came to the United States in 2006 where I finished my studies for the Priesthood at Pope Saint John XXIII seminary in Weston, Massachusetts. I was ordained to the Priesthood by Cardinal Sean O'Malley at Our Lady Comforter of The Afflicted Parish in Waltham in 2019 just before the Pandemic. I have been part of the Archdiocese of Boston for eight years now and fell blessed to be here in Massachusetts where now I have many friends and colleagues.

I am looking forward to the start of my new assignment here with you. Sure that we will have some wonderful times together as we go forward doing the work of Lord and the Blessed Mother here at Saint Clement's.

Please keep me in your prayers as I will always keep you and your families in mine.
