April 17, 2026

Dear Father Francis Huy and Brothers & Sisters,

We extend our respectful greetings and prayers, asking God to grant you peace, good health, and continued grace through the intercession of the Blessed Virgin Mary.

With sincere gratitude, we acknowledge receipt of your generous donation of USD **$14,000 (equivalent to VND 365,020,317)**, received on April 17, 2026, through our Congregation's account. This gift of love is a meaningful sign of communion and charity that you have shown to our brothers and sisters suffering from leprosy and living in poverty.

This donation will be used to support leprosy patients in the places where our Sisters are serving, including Sông Phan, Suối Máu (Bình Thuận, now part of Lâm Đồng Province), and Gia Lai. Specifically, we plan to provide each patient with 10 kg of rice each month, along with medical care and medicine when needed. For those who retain the capacity for labor, assistance will also be provided in the form of poultry (such as chickens and ducks), so they can raise animals and have a small source of income to improve their daily lives.

We sincerely thank Father Huy for this loving initiative, and we are deeply grateful to all the parishioners who generously responded by sharing what they have, making this work of charity possible.

On behalf of the Sisters, and especially the leprosy patients, we want to express our heartfelt thanks and lasting appreciation. This help is not only material support, but also a great encouragement that helps them feel God's love and the care of others.

We will continue to keep you in our prayers and ask God to bless you abundantly with peace, health, and joy in the Risen Christ.

In Christ's love,
Sister Mary Van T. Ngo
